## Field Day 2014 Training Event

McKean County, PA EMA Director Bruce Manning will be teaching a 1 hour Emergency Response Guide (ERG) class during Field Day 2014. This class will count for our FD Educational Activity 100 point bonus. Director Manning will provide a copy of the ERG materials to each student, courtesy of McKean County EMA.

This is an outstanding training opportunity that will provide an understanding of how first responders use the ERG when responding to a HAZMAT incident. This isn't a "some guy reading PowerPoint slides" class - Director Manning speaks from his first-hand experience in dealing with real world HAZMAT incidents. I encourage all NCECT members and other interested parties to take advantage of this outstanding opportunity.

The class is scheduled for Saturday, June 28 at 16:00 in the Hospitality Tent at the FD site.
