Hi-tech hoists

***Safety officer, helmets
& teamwork***

Tall towers

And short ones too

***Bruce Manning, NJ3K,
our Pennsylvania advisor***

*He taught members of our
EmComm team the key steps for
tackling hazardous materials
incidents by leading us through the
U.S. Dept of Transportation
“Emergency Response Guidebook.”*

A chuck-wagon gang

Cozy cocoons

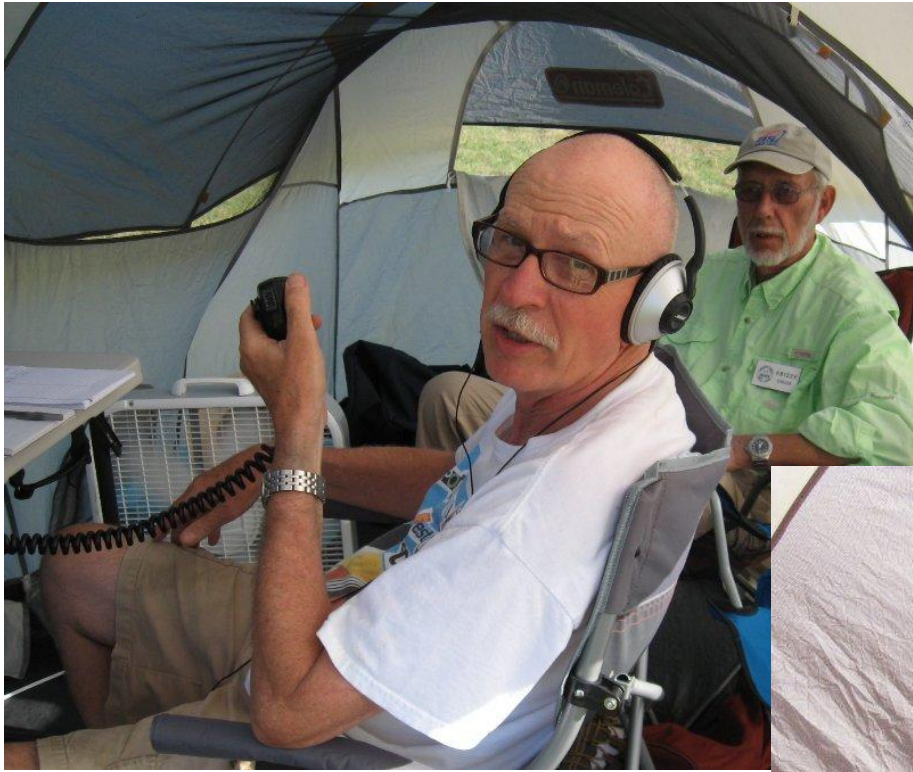

***... all leading to a scene of
happy hams & helpers,
with tolerant spouses
lending support***

They came from places in RI & Mass
besides Newport County.

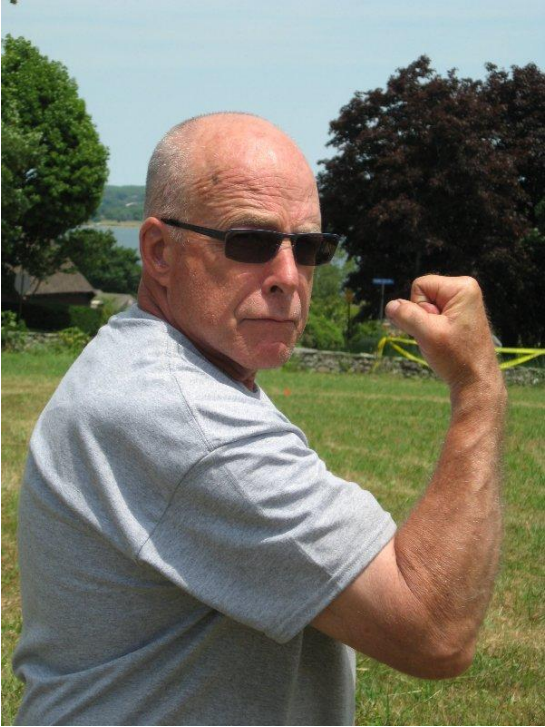

Shady sidebanders took a break

And even Willy, our hardy president, needed some shut-eye

***When it came time to close down,
more folks than ever pitched in***

**EVEN AS WE PUT
FIELD DAY 2014 TO REST...**

*Fresh ideas for next year's tweaks
were stirring.*
