

Newport County Radio Club

Post Office Box 3103, Newport, RI 02840 www.w1sye.org

Call to Order at 7:04p. Members are reminded to sign BOTH the registry and security log.

Minutes of April Business Meeting on website, but not projected here tonight.

Reports QSL manager, Chuck Kesson. DXCC, certificate coming. (ED: Certificate was received in May, see a photo of it here: <http://w1sye.org/?p=2556>)

Old Business:

- Green Island/Little Island - Paul Silverzweig reports that the island is more like a mussel bed than what you would expect.
- Field Day, John King - John outlined the plans and asked anyone who might like to volunteer with set up and/or tear down to be in touch or simply be there, that some tools will be useful, and that anyone within the safety zone of the antenna field must wear a hard hat.

New Business:

- Fred Jaggi and Harvard donations - No news from the New England Wireless and Steam Museum regarding Harvard's excess radio collection, beginning to look doubtful that they or we might have a look-see tour.
- Stay tuned for Fox Hunt activity.
- Gooseberry Island activation has been postponed as a result of nesting gulls.

Presentation by Willy MacLean, W1YL, High Level Operating.

Respectfully submitted, Jim, KA1ZOU, President
