The June 8, 2015 Regular NCRC Meeting was called to order at the East Greenwich Museum of Wireless by Jim, KA1ZOU at 7:00 PM. By headcount there were 21 members present.

A motion was asked for and approved to suspend the usual reports so that the Museum visit could go forward. So there was no treasurer's report, approval of the prior months minutes, or education report.

Bob, WB4SON did present two new applicants for membership, who were voted in by the membership. They are:

- Doug Faunt, N6TQS, (An Oliver-Hazard Perry supporter who normally resides in Oakland CA).
- James Walsh, unlicensed at the moment, of Middletown, RI

The second and final reading of proposed bylaws changes was given by the President. The members then voted to formally adopt the bylaw changes (adding a youth membership category for under 18 members with full voting privileges -- the dues to be "less than half" the regular dues).

The meeting was closed at 7:15 PM, and a tour of the museum followed.

Respectfully submitted, Bob, WB4SON, Secretary
