

## Treasurer's Report NCRC December 31, 2016

The treasurer met with Jim, KA1ZOU, and Bob, WB4SON, on January 5th to complete the annual audit of the books as required by our Bylaws. Jim and Bob reviewed all expenses and found them to comply with club standards. The ending balance of the income/outcome sheet matched the most recent bank statement to the penny.

NCRC began the year with **\$9,479.27** in our accounts, and ended the year with **\$9,311.23**, another indication that our income/outflow are pretty closely matched, even as we support multiple activities including education efforts.

Our significant expenses for the year were:

- Field Days: \$653
- Internet: \$600
- ARISS/All Saints: \$515
- Service Awards: \$468
- Insurance: \$449
- POB Rental: \$104

We currently have 93 members, 8 are life members (paid for life), 3 are youth members (half dues), and 81 are regular members. Of the 93 members, 34 have currently paid their dues.

Members are reminded that dues can be paid via the website, and you can check your paid status by checking our roster in the member only area.

Respectfully Submitted  
Ted Wrobel, Treasurer
