

# NCRC 2 METER NET

## PREAMBLE

Calling the Newport County Radio Club net,

Calling the Newport County Radio Club net.

This is the Newport County Radio Club net for [*day - date - month*].

My call sign is [*your call sign*], and I will serve as net control station for this net.

My name is [*your name*] and my location is [*your location or place*].

This net meets nightly Monday through Friday at 1900 hours and on Sunday at 0815 using the W1SYE Repeater at an output frequency of 145.45 MHz. The repeater's input frequency is 144.85 MHz with a tone of 100 Hz.

All stations, club members and non-members, are welcome to check in.

When checking in, please say "This is" [*UNKEY to illustrate*] "then un-key your mic for a moment to check for doubling".

Stations wishing to check in, please come with your callsign, name, and location now.

**Take check-ins.**

**Acknowledge each station by call-sign, mobile and portable stations first.**

**Ask for relays.**

**Ask stations for announcements, comments, or questions.**

**Ask for late check-ins, crosstalk, or fills.**

## CLOSE THE NET

Thank you to all stations who checked in tonight and thanks to anyone who stood by while the net was in session.

We had [*number*] check-ins tonight.

This net is closed at [*time*] hours and the repeater is released for normal amateur use.

This is [*call sign*]
