PURPOSE - Provide a HAM/Radio experience to the scouts and interface with the community. Provide an opportunity for the Scouts BSA to earn the Radio Merit Badge.

WHERE - There will be two locations that will be supported by NCRC:

- A) The Glen, off Glen Rd, Portsmouth, RI
- B) Yawgoog Scout Reservation, 61 Camp Yawgoog Rd, Rockville, RI

Note: John is working with other HAMs/Scouters to get two other locations to run similar to how NCRC has operated the Glen over the last few years. The goal is to provide a maximum opportunity for the Scouts to Get on the Air!

INTRODUCTION - Jamboree on the Air - Jamboree on the Internet (**JOTA-JOTI**) promotes a Scout's sense of belonging to the worldwide Scout Movement and builds cultural awareness, develops tolerance, advocates sharing and collaboration as well as demonstrates teamwork. It provides exciting opportunities for young people to explore technology and to develop technical skills including fostering innovation and creativity through communicating with other Scouts. A wide range of activities using communication technology are the chief methods of attaining these goals. JOTA-JOTI strives for a meaningful engagement of as many young people from as many parts of the world as possible annually on the third weekend in October. This weekend is also an occasion to celebrate Scouting and to generate positive energy to support the development of the Scout Movement. The event seeks to promote quality Scouting in a manner faithful to the purpose, principles and method of Scouting and consistent with the needs and aspirations of young people in today's world. The JOTA-JOTI programme shall be a reflection of the Promise, Law, Principles and Method of Scouting, as defined by the WOSM Constitution, and shall also reflect the most up-to-date policies and initiatives of WOSM relating to youth programmes for all ages.
